TOPIC	<i>Reduction of methane and CO2 emissions in hydrocarbon production and alternative energy sources</i>		
	SPEAKERS		
	CNPC		
SESSION HOST			
<p>At the global climate conference COP 28 in Dubai, UAE, the Esteemed President of Turkmenistan Serdar Berdimuhamedov announced Turkmenistan's accession to the Global Methane Pledge. NOC senior management will provide their latest update and action plan on reducing methane and CO2 emissions. International experts will address data and methods for accounting for methane and associated gas emissions from hydrocarbon production value chain elements, and innovations in emission measurements as well as reporting requirements as the worldwide natural gas industry works toward reducing its contribution to greenhouse gas emissions. Practical examples and solutions will also be presented by international energy companies. Turkmenistan is actively developing its renewable energy sector, an example of this is the construction of a 10-megawatt hybrid solar-wind power plant near Altyn Asyr Lake in 2023, financed by the Abu Dhabi Development Fund. This session will focus on:</p> <ul style="list-style-type: none">➤ Greenhouse gas emissions, measurement, and reporting➤ Reducing methane and CO2 emissions to meet net zero and monetization➤ Reducing flaring, venting and leaks➤ The role of R&D in reduction of emissions➤ Wind and solar energy <p>Magtymguly Akmuradov - Advisor to the Department of International Organizations, MFA of Turkmenistan Dario Liguti - Director, Sustainable Energy division, UNECE Manfredi Caltagirone - Head, International Methane Emissions Observatory (UN) Sandillo Banerjee - Head, International Business Development, Climate Compass LLC Ismadi Bin Ismail - CEO, PETRONAS Carigali (Turkmenistan) Sdn Bhd (PCTSB) Ayed S. TOPIC

Commodities for the Energy Transition: New trends and investment opportunities

With the signing of the MoU between State Concern “Turkmennebit” and Dragon Oil to expand investment in the new offshore fields within Block 19 – the TEIF 2024 will serve as a platform for further implementation of investment projects and for understanding new investment priorities for the energy sector of Turkmenistan. In addition to the above, the Paris Forum will focus on further attracting investment to the Turkmen offshore, particularly on blocks 16, 21, 23 and 24. The investment opportunities in the modernization of the Turkmenbashi oil refinery, which refined 4,5 million tonnes of oil in 2023 will be presented.

SESSION
HOST

Accelerating the drive to attract investments in new projects with a focus on construction, chemical gas utilization, transport, and communications sectors of Turkmenistan

The session will focus on the attraction of investment in new infrastructure projects with a particular focus on construction, transport, IT and telecommunication. Turkmenistan's transport and logistics system, which is developing in all directions, is actively integrating in global logistical systems. Turkmenistan welcomes investors and experts in the transport and communications sector and is ready to expand cooperation on the implementation of joint projects for the construction and modernization of maritime rail. In addition, the session will also cover the topic of geological research for Turkmenistan's natural resources, which play an important role in providing a resource base for the realization of new projects. The session will focus on:

Gurbangeldi Garlyyev - Chairman, State Corporation "Turkmengeology"

Dovrangeldi Sapbaev - Chairman, SC "Turkmenhimiya"

Hajmyrat Hudaygulyyev - Chairman, "Turkmenaragatnashyk" Agency

Marie-Hélène Bérard - President, Chambre de Commerce France - Turkmenistan (CCFT)

Rifat Sultan-Zada - Vice Chairman, Caspian Logistics Solutions

Bayrammyrat Atamanov - Rector of the Yagshygeldi Kakayev International Oil and Gas University

Sergey Abramov - Licensing Manager, Stamicarbon

Eric Imbert - Vice President Export Sales Management, Thales Alenia Space

Q & A Session (Moderator and the Audience)

Géraldine Lemble
Deputy CEO,
MEDEF International

Address of the participants of TEIF 2024 to His Excellency President of Turkmenistan Serdar Berdimuhamedov
